

Preamble:

To guide Pride Winnipeg on how to work with businesses and organizations regarding a sponsorship deal.

Policy Statement:

Sponsorship is critical to assist with the startup costs for the Pride Week. Care and diligence needs to be taken to ensure sponsorship deals are clear, fair, and in the best interest of the Organization.

When seeking sponsors we must ensure our vision, mission and goals align with the business/organization we wish to approach for sponsorship. Businesses/organizations that are in disagreement with our vision, mission and goals should not be a sponsor.
